Defendant.)	

MOTION TO STAY

On July 10, 2006, the court entered an order to show cause directing the plaintiff to show cause why this case should not be dismissed for his failure to cooperate in discovery and failure to comply with the Federal Rules of Civil Procedure governing discovery. (Doc. # 21). The court set a response date of on or before July 24, 2007.

The court further ordered that on or before July 24, 2006, that the plaintiff shall show cause why this case should not be dismissed for his failure to cooperate in discovery and failure to comply with the Federal Rules of Civil Procedure governing discovery. The court also stated that plaintiff should show why fees and expenses should not be awarded to the defendant.

As an interested party, I, Borrah E. Campbell I, plaintiff's father, am asking the court for a continuance in this case until the plaintiff is physically able to participate in discovery. Since the plaintiff filed this Civil Action against the defendant, he has had three hospital confinements. He is presently incarcerated in the Montgomery City Jail awaiting his eventual transfer to a Mental Facility to receive further treatment.

The plaintiff is not failing to respond because he has abandoned his efforts. He has failed to

respond because of his disability.

Done this 21st day of July, 2006.
